**RE: Payments for Course, Coaching Clinics and National Practice Camps**

Dear All

Please note that cash payments for any of the above will no longer be accepted on the day of the event.

Associations will be invoiced for the participants and payments to be made through the association only or via EFT into the SAWF bank account.

Payments to suppliers, presenters and any other expenses will also only be paid via EFT and on invoice or on completion of the SAWF claim form.

This is to minimise the risk exposure to the person responsible for the finances at the events as well as to the SAWF who would be liable for any cash losses.

The SAWF bank account is:

Standard Bank  
Current Account  
23031662

Participation lists and proof of payments to be e-mailed to [shaun@mdsholdings.co.za](mailto:shaun@mdsholdings.co.za) or faxed to 086 613 1954.

Please ensure that deadline dates are adhered to when participants' details are requested to ensure timeous invoicing.

Kind regards

Shaun Bartlett
